The report / information / opinions/buy/sell recommendations have been prepared by me and are subject to change without any notice. The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of me. The information provided in the Report is from publicly available data, which I believe and reliable. While reasonable endeavors have been made to present reliable data in the Report so far as it relates to current and historical information, I am not guaranteeing the accuracy or completeness of the data in the Report. Accordingly, I or my relatives shall not be in any way responsible for any loss or damage that may arise to any person from any inadvertent error in the information contained, views and opinions expressed in this publication.

Past performance should not be taken as an indication or guarantee of future performance, and no representation or warranty, express or implied, is made regarding future performance. The price, value of and income from any of the securities or financial instruments mentioned in this report can fall as well as rise.

The Report also includes my analysis and views. The Report is purely for information purposes and does not construe to be investment recommendation/advice or an offer or solicitation of an offer to buy/sell any securities. The opinions expressed in the Report are our current opinions as of the date of the Report and may be subject to change from time to time without notice. I / Or any persons connected with me do not accept any liability arising from the use of this document.

Investors should not solely rely on the information contained in this Report and must make investment decisions based on their own investment objectives, judgment, risk profile and financial position. The recipients of this Report may take professional advice before acting on this information.

This document is for private circulation & Educational Purpose only. Neither the information nor any opinion expressed constitutes an offer, or any invitation to make an offer, to buy or sell any securities or any options, future or other derivatives related to such securities. The investment advice or guidance provided by way of recommendations, reports or other ways are solely the personal views of the research analyst.

Users are advised to use the data for the purpose of information and rely on their own judgment while making investment decisions. The research recommendations and information are solely for the personal information of the authorized recipient and does not construe to be an offer document or any sort of investment, legal or taxation advice or solicitation of any action based upon it. This report is not for public distribution or use by any person or entity, where such distribution, publication, availability or use would be contrary to law, regulation or subject to any registration or licensing requirement. We will not treat recipients as customer by virtue of their receiving this report. The report is based upon the information obtained from public sources that we consider reliable, but we do not guarantee its accuracy or completeness.

Umesh Sharma shall not be in any way responsible for any loss or damage that may arise to any such person from any inadvertent error in the information contained in this report. The recipients of this report should rely on their own investigations.

I submit that no material disciplinary action has been taken on me by any Regulatory Authority impacting Equity Research Analysis activities.

4) Privacy Policy:

This privacy policy sets out how chartanalysis.co.in uses and protects any information that you give chartntrade.com when you use this website.

chartanalysis.co.in may change this policy from time to time by updating this page. You should check this page from time to time to ensure that you are happy with any changes.

1.What we collect

We may collect the following information:

- **Name, date of birth**
- **Contact information including email address and phone numbers**
- **Demographic information such as postcode, country, city, state**
- **Other information relevant to customer surveys and/or offers, payment options.**

2.What we do with the information we gather

We require this information to understand your needs and provide you with a better service, and in particular for the following reasons:

- **Internal record keeping.**
- **We may use the information to improve our products and services.**
- **We may periodically send promotional emails about new products, special offers or other information which we think you may find interesting using the email address which you have provided.**
- **From time to time, we may also use your information to contact you for market research purposes. We may contact you by email, phone, fax or mail.**

We may use the information to customize the website according to your interests.

3. Use of the Information

chartanalysis.co.in uses information obtained from its users to enhance their experience on the website.

We do not rent or sell any personal information about our subscribers or other users. As a general rule, we will not disclose any personal information to any third parties, except when we believe in good faith that the law requires it, or if the subscriber has given permission.

chartanalysis.co.in may disclose account or personal information in special cases when we have reason to believe that disclosing this information is necessary to identify, contact or bring legal action against someone who may be violating chartanalysis.co.in Terms of Service or may be causing injury to or interference with (either intentionally or unintentionally) chartanalysis.co.in rights or property, other chartanalysis.co.in users, or anyone else that could be harmed by such activities. chartanalysis.co.in may disclose or access account or personal information when we believe in good faith that the law requires it and for administrative and other purposes that we deem necessary to maintain, service, and improve our products and services.

4. Security precautions to protect the loss, misuse, alteration of Information

Your subscriber account information and your profile are password-protected so that you and only you have access to this personal information.

We recommend that you do not divulge your password to anyone. chartanalysis.co.in will never ask you for your password in an unsolicited phone call or in an unsolicited email. Also remember to sign out of your account and close your browser window when you have finished your work. This is to ensure that others cannot access your personal information if you share a computer with someone else or are using a computer in a public place like a library or an Internet cafe.

Because the nature of the Service provided on chartanalysis.co.in, can have users all over the world, and takes adequate steps to ensure that your information is treated securely and in accordance with the relevant Terms of Service and this Privacy Policy.

Unfortunately, no data transmission over the Internet or any wireless network can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, chartanalysis.co.in cannot ensure or warrant the security of any information you transmit to us, and you do so at your own risk. Once we receive your transmission, we make our best effort to ensure its security on our systems.

5. What personal data we collect and why we collect it

Comments

When visitors leave comments on the site we collect the data shown in the comments form, and also the visitor's IP address and browser user agent string to help spam detection.

Embedded content from other websites

Articles on this site may include embedded content (e.g. videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if the visitor has visited the other website.

These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracking your interaction with the embedded content if you have an account and are logged in to that website.

How long we retain your data

If you leave a comment, the comment and its metadata are retained indefinitely. This is so we can recognize and approve any follow-up comments automatically instead of holding them in a moderation queue.

6. What Else Should I know about Privacy?

Please keep in mind that whenever you voluntarily disclose personal information online. In short, if you post personal information online that is accessible to the public, you may receive unsolicited messages from other parties in return.

Ultimately, you are solely responsible for maintaining the secrecy of your passwords and/or any account or personal information. Please be careful and responsible whenever you're online.

5)Cancellation & Refund Policy

1.CANCELLING SUBSCRIPTIONS

Once a subscriber has paid for any service and the service is initiated, the subscriber is not entitled to cancel his membership, and claim back his subscription. No refund will be issued. A subscriber is not entitled to cancel his membership and claim back his subscription. His membership automatically stands cancelled, once he does not renew his subscription next month.

2.Delivery Policy

All the services provided by chartanalysis.co.in will be delivered either through SMS or through Online Messenger as opted by the subscriber.

chartanalysis.co.in does not guarantee any accuracy of generation, databases, delivery timings etc. while giving this facility. Depending on your location, service provider, medium of communication and delivery, the service may be at times slow or not there at all.

6)Other Disclosures:

chartanalysis.co.in does not take any compensation of any kind whatsoever from any company that they mention on this website.
